Greetings and happy new year!

My name is Olana A. Jebel and I serve as the Chapter President for the Zeta Pi Chapter of Alpha Phi Alpha Fraternity, Inc. I am a fourth-year student from Snellville, Georgia. I am a Computer Science major with aspirations of becoming a Software Engineer.

The Zeta Pi Chapter has always been held to the standard of excellence on this campus since its inception in May of 1969. While staying true to the mission statement and aims of our dear fraternity we have been able to serve as a guiding light on campus. Participating in our national programs, providing on campus programs, and serving as leaders on campus through other organizations is what makes this chapter so mighty and respected.

As President, I will continue to push forward the legacy of Zeta Pi and hold the light of Alpha high. With all of the talented Brothers we currently have in the chapter, I expect this year to be nothing short of magnificent. "First of All, Servants of All, We Shall Transcend All."

Sincerely,

*Olana A. Jebel*
